Jeff & Ash

Mark 10:9: "Therefore what God has joined together, let no one separate."

The Birth Parents

You are amazing and brave! Thank you for considering us as adoptive parents for your child. We admire your strength and courage, and would be honored to take this journey with you.

We can think of nothing better than welcoming your child into our home and our lives.

Thank you for your unswerving dedication to your child as demonstrated through the loving choice of adoption. The gift of life is a precious one and your selfless act of allowing your child to be raised by another is beyond comprehension.

As a couple, we balance out one another quite well and make a dynamic team. Together we are truly more than the mere sum of our parts. The home we have created is one of unconditional love and support. Though we both have a respectful "anxiety" about parenting, it is a challenge we enthusiastically embrace and enjoy each and every day.

Our Story

On their **first date**, Ash was struck by Jeff's thoughtful manners and warm, jovial spirit, while Jeff was drawn to her simplicity and genuine humility. They found themselves laughing easily and enjoying each other's conversation even more than the wonderful meal in front of them. When Ash met Jeff's daughter, Victoria, they felt an immediate and heartfelt connection. Over time, their bond deepened into love, and after two years of dating, they were joyfully **married in 2021** at The Bridge Church, surrounded by family, friends, and their faith. It was a truly beautiful.

An unbreakable and **steadfast friendship** is the foundation of our love and marriage. Though we come from different backgrounds, our journey has been beautifully enriched by celebrating each other's culture.

Meet Us

Hi ! I am Jeff

I grew up in a loving **Christian family** where faith has always been at the center of my life. My wife and I attend Sunday services regularly, and we believe that Jesus is our Savior. We trust in His plan and feel deeply grateful for the blessing of holding our baby in His perfect way.

I was born in a major city in the north-central United States and moved to the **Southeast** in 2009, where I have built both my home and career. I enjoy staying active and spending quality time with my family. I love playing **hockey**, video games, **skating**, and swimming with my daughter. I am also a big **fan of Star Wars**. In my free time, I play the guitar and enjoy being outdoors—visiting lakes, going on hikes, exploring **zoos and museums**, and spending time at amusement parks. Professionally, **I am an artist**. I learned my love for art from my mother and went on to earn my degree in Graphic Design.

My parents have been happily married for 53 years and now live in a beautiful retirement community. From them, I learned the true meaning of commitment, family, love, and kindness. Above all, I cherish my family. **My daughter, Victoria**, means everything to me, and being her father is one of the greatest joys of my life.

Hi! I am Ash

I aspire to become a mother and experience the joy of parenting—to nurture a child with hope, love, and gentleness, and to provide a home filled with warmth and encouragement. I am of **Indian origin** and believe in one God. Family has always been at the center of my life and values. I have a passion for traveling and have had the opportunity to visit many countries. I enjoy **hiking, spending time by lakes**, and being surrounded by nature. In my free time, I practice kickboxing, which helps me stay active and focused. Both of my **parents are doctors**. Although my father passed away eleven years ago, my mother continues to serve as a dedicated general physician. My siblings and extended family live in India, and I remain closely connected to them. Professionally, **I am an engineer** with a love for **robotics**. I hold degrees in Electronics, Artificial Intelligence in Manufacturing, and **Business Administration** Management. I am a creative and independent woman who values growth, learning, and perseverance.

My family is my world, and I pray every day for their health, happiness, and well-being.

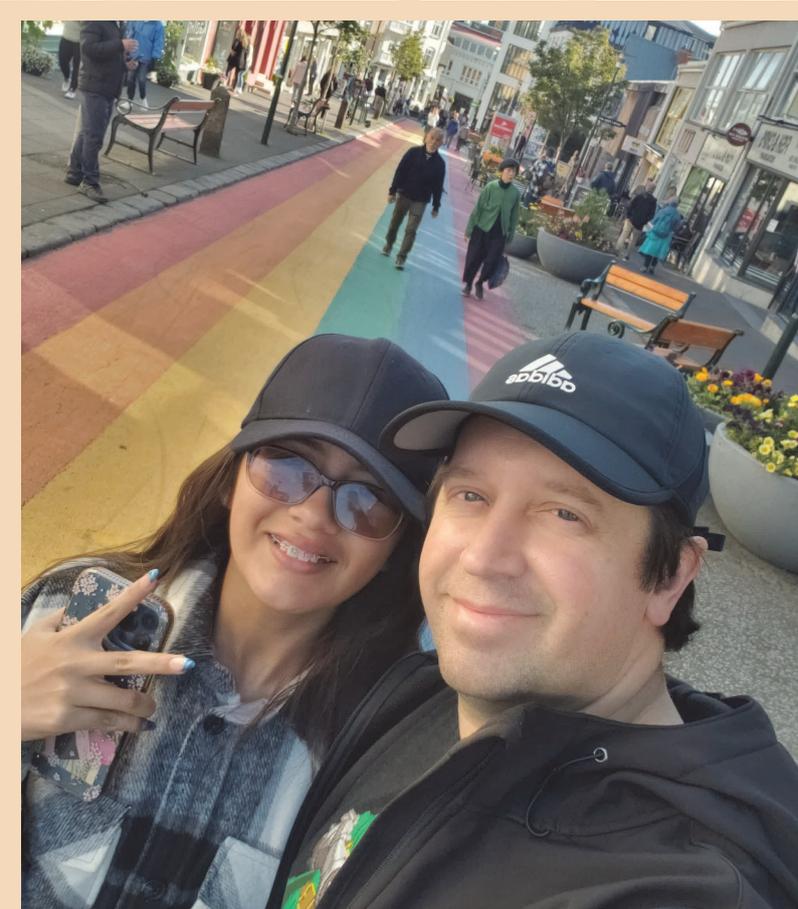

Thankful for every journey He allows
