

JEFF *and* BRITTANY

EVERY FAMILY HAS A STORY,
welcome to ours.

HELLO!

IT'S SO NICE TO "MEET" YOU!

Thank you for taking the time to read our profile. We have tried to give you ***an honest glimpse into who we are*** and the kind of love and support we would offer to you and your baby. We hope you see a fun, loving, close-knit family with dreams of growing even bigger.

Learning about you and your baby is something we do not take lightly. ***We feel both excited and deeply humbled.*** We cannot begin to imagine what you are feeling, but we want you to know how much this means to us. It takes tremendous courage to be where you are right now. We would never assume to know your journey, but we promise to honor it with care and respect.

***From the bottom of our hearts,
thank you for considering us.***

WITH WARMTH AND GRATITUDE,

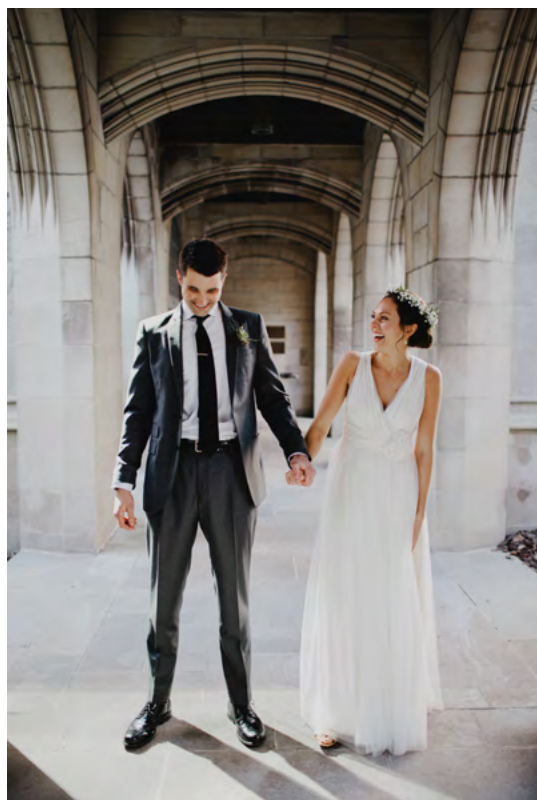

JEFF *and* BRITTANY

our STORY

OUR STORY BEGAN IN COLLEGE, WHEN WE MET THROUGH MUTUAL FRIENDS.

From the start, there was an easy connection that felt natural and unhurried. ***Brittany admired Jeff's intellect and loyalty, and the way he could have deep, meaningful conversations about almost anything. Jeff admired Brittany's confidence, her care for others, and her up-for-anything personality.*** We took our time, spending more than eight years building a strong friendship and partnership before making it official.

We have now been married for over eleven years, and we are still each other's favorite person. Along the way, we have been blessed to grow our family with Teddy, who is seven, and George, who is five. They have brought more joy, laughter, and love into our lives than we ever imagined, and we feel so grateful for the life we share.

WHY adoption?

WE HAVE ALWAYS DREAMED OF A LARGE,
FULL, AND JOYFUL HOME WITH LOTS OF
LOVE TO SHARE.

As our family has grown, we have continued to feel that we have more love and support to give. Adoption has been part of Jeff's life through his brother, and their close bond has shown us how beautiful adoption can be. Because of that, it has always felt like a natural path for our family.

We are choosing adoption with full intention and open hearts,
believing that families can be built in many different ways, and feeling
grateful for the opportunity to grow ours in this way.

BRITTANY LEADS WITH KINDNESS AND
CREATES A HOME WHERE EVERYONE FEELS
LOVED, SUPPORTED, AND SAFE.

Brittany always puts family first. She grew up in a close-knit family that showed her the power of love and support, and she carries those values into everything she does. She believes every person has a purpose, and ***she finds joy in helping others*** grow into who they are meant to be.

She works in healthcare, using her organization and problem-solving skills to help hospitals and doctors care for more people. On weekends, she loves exploring with our family, whether that is visiting parks, museums, or restaurants, or planning our next trip to the beach or Disney. ***Her kindness and empathy shape the way she parents,*** giving our boys the confidence to be themselves and know they are deeply loved. She will bring that same love, patience, and care to your baby every single day.

meet JEFF

told by Brittany

ASK ANYONE WHO KNOWS JEFF, AND
THEY WILL TELL YOU THE SAME THING,
HE IS AUTHENTIC.

Jeff carries himself with **quiet confidence**, loves deeply, and shows up in a steady, dependable way for the people in his life.

Jeff is a lawyer, and his intelligence, patience, and thoughtfulness are clear in everything he does, from solving problems to spending time with our boys. Outside of work, **you will find him at a baseball game, fishing, riding his bike, or cooking for family and friends**. He has friendships that go back to early childhood, which speaks to his loyalty and character. He is **a loving and devoted dad to Teddy and George**, and we know he would bring that same steady, caring presence to your baby.

home sweet HOME

WE LIVE IN A SINGLE-FAMILY HOME IN A WELCOMING, FAMILY-FRIENDLY NEIGHBORHOOD NEAR A LARGE CITY.

We live in a cozy, single-story house on a quiet cul-de-sac. We have five bedrooms and a backyard we plan to fill with garden beds, soccer games, and gatherings with the people we love. Our kitchen is busy with holiday baking and fresh sourdough, and our living room is where we have family movie nights, snuggled up together on the couch. On weekends our extended family — who live close by — are in and out. It's a full, warm, and sometimes loud house, and we love it that way.

WE LOVE WHERE WE LIVE!

Our area gives us access to so many diverse cultures and experiences, which we love sharing as a family. ***We spend our time exploring parks, visiting museums, trying new restaurants, riding bikes, and going to sporting events.*** Our home is a place where we stay active, spend time together, and create meaningful memories, and we would be so excited to share that life with your baby.

MEET OUR *boys*

TEDDY + GEORGE

TEDDY is seven years old and one of the brightest, ***kindest souls you will ever meet.*** He approaches everything with curiosity and enthusiasm — whether he has his nose buried in a book or his hands deep in a Lego build, he is always ***creating, learning, and imagining.***

Teddy is soaring through first grade. He is an ***avid reader*** and has recently fallen head-over-heels for the Percy Jackson series. When he isn't reading, you'll find Teddy drawing, crafting, carefully snapping together a Lego masterpiece, or eagerly counting down to Taco Tuesday — an absolute highlight of his week!

Teddy is the ***most wonderful, loving big brother.*** He is kind and gentle, and excited to be a big brother again to another sibling.

MEET OUR *boys*

TEDDY + GEORGE

GEORGE is five years old, and from the moment you meet him, he will melt your heart. ***He is pure sunshine — sweet, social, and full of contagious joy.***

George reminds us every day that love is boundless and joy can be found everywhere.

George has a rare genetic disorder that causes developmental delays.

While he is on his own unique journey of learning to walk and talk, he is making incredible progress every single day.

George loves nothing more than playing with his big brother Teddy. Watching the two of them together is one of the greatest gifts of our lives. ***He is also a serious sports fan — all sports, any sport.*** Give him a ball and he is in heaven. And if there's a dog nearby? Even better!
